

CANYON HILLS LITTLE LEAGUE
“AAA” League Division Local Rules
2010 Spring Ball

The “2010 Little League Baseball Official Rule Book” shall be used as the official rules and guidelines for the Canyon Hills Little League. The purpose of these Local League rules is to establish guidelines in addition to the Little League Official Rule Book and in no way is intended to lessen or supersede those rules. Final interpretation of a rule shall be the responsibility of the Board of Directors:

I. LOCAL LEAGUE RULES

- A. Batting line up shall consist of all roster players in a continuous order.
- B. If a roster player does NOT start the game **defensively**, they MUST start the following game.
- C. The slide or avoid contact rule shall be in effect for all games (Rule 7.08(a3)).
- D. Any runner is out when the runner slides headfirst into a base moving forward. This rule does not apply when returning to a base, such as during a run down.
- E. The offense is retired when 3 outs are recorded or when 9 players have batted in an inning.
- F. In the event 9 batters are used, the inning concludes when the defense records any out or when a defensive player has possession of the ball and touches home plate, no tag of any player at home plate is required on this play. **In the event the 9th batter comes to bat with less than 2 outs and runners on base, the runners shall receive 1 base from where they began the at bat when the batter puts the ball in play and a force out is made at any base. If there is not a force out, the previous rule definition applies.**

Exception - No runners shall advance on an infield fly ball that is caught. Those runners would not have advanced during that play regardless of how many outs there were.

Example:

9th batter comes to bat. Runners on 2nd & 3rd with 1 out. Batter hits a ground ball to the 1st baseman. They field the ball and tag 1st base for the out. Only the runner from 3rd base scores on the play.

9th batter comes to bat. Bases are loaded with 1 out. Batter hits a ground ball to the 2nd baseman. They field the ball and tag the runner coming from 1st to 2nd base for the out. Only the runner from 3rd base scores on the play.

- G. If the 9th batter is walked or hit by a pitch, that batter is given two bases, as will ALL runners on base.

- H. Immediately following each game, that game's managers shall ensure that all league scorekeeping equipment/scorebooks have been turned in to a pre-determined designated area or to the home team manager of the next game. Managers must sign the official scorecard immediately following game verifying the game score, pitchers used, innings pitched, and pitches thrown. Substitutions **MUST** be reported to the official scorekeeper **BEFORE** the player enters the game. Each game's official scorekeeper's scorecard is recognized as the "official" record of the game.
- I. The only protest allowed must be based on an umpire's interpretation of a rule and not on a judgment call. Violation of any section of the Pitch Rule in Section III below can also result in protest of the game in which it occurs. See 4.19 of the Little League Baseball Official Rule Book.
- J. Final interpretation of a rule shall be the responsibility of the Board of Directors.
- K. Problems or conflicts shall be the responsibility of the Division Vice-President or Player Agent.
- L. **Managers and/or coaches may NOT warm up the pitchers for their team on or off the field.**
- M. **MANDATORY:** Managers and coaches may coach both first and third as long as there is a Board approved volunteer in the dugout.

II. PLAYER/COACH SAFETY

- A. Players **MUST NOT** wear watches, rings, pins or jewelry of any kind. In the event a medical alert bracelet or necklace is worn, it is to be taped down to the player's body.
- B. When a player is ejected from a game, he/she shall remain in the dugout, and take no further part in that game. He/she may not sit in the stands and may not be recalled. An ejected player may be released into the custody of their guardian for the purpose of leaving the game site. Any player ejected from a game is suspended for his/her team's next physically played game.

III. PITCHING RULE

- A. Any player on a regular season team may pitch. (Note: There is no limit to the number of pitchers a team may use in a game.)
- B. **A pitcher once removed from the mound cannot return as a pitcher.**
- C. The Manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position.

League Age	11-12	85 pitches per day
League Age	9-10	75 pitches per day

Exception: If a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until that batter reaches base or is put out.

- D. Intentional Walk: There is no intentional walk in the minor division.

- E. Pitchers league age 14 and under must adhere to the following rest requirements:
- If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.
 - If a player pitches 51-65 pitches in a day, three (3) calendar days of rest must be observed.
 - If a player pitches 36-50 pitches in a day, two (2) calendar days of rest must be observed.
 - If a player pitches 21-35 pitches in a day, one (1) calendar day of rest must be observed.
 - If a player pitches 1 – 20 pitches in a day, no (0) calendar day of rest must be observed.

The official scorekeeper or other board approved game official will be the official pitch count recorder.

- F. The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.
- G. The official pitch count recorder shall inform the umpire when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in Section D above. The umpire will inform the pitcher's manager that the pitcher must be removed in accordance with Section E. **However, the failure by the pitch counter recorder to notify the umpire, and/or the failure of the umpire to notify the manager, does not relieve the manager of his/her responsibility to remove the pitcher when that pitcher is no longer eligible.**
- H. Violation of any section of this regulation can result in protest of the game in which it occurs. The Manager may also receive an automatic suspension to be served at the next scheduled game, following notification by the Division VP.
- I. A player who has attained league age twelve (12) is not eligible to pitch in AAA.
- J. A pitcher may not pitch in more than one game in a day.
- K. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation.
- L. Pitches delivered in games declared "Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility.
- M. In suspended games resumed on another day, the pitcher of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.
- Example 1: A league age 11 pitcher delivers 60 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not

eligible to pitch in the resumption of the game because he/she has not observed the required three days of rest.

- Example 2: A league age 11 pitcher delivers 60 pitches in a game on Monday when the game is suspended. The game resumes on Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because he/she has observed the required three days of rest.
- Example 3: A league age 11 pitcher delivers 60 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game, provided he/she is eligible based on his/her pitching record during the previous three days. Note: The use of this regulation negates the concept of the "calendar week" with regard to pitching eligibility.

- N. A pitcher who delivers 41 or more pitches in a game cannot play in the position of catcher for the remainder of that game. If a player catches at any time during any game, his/her pitch count is reduced to 50 pitches for that game.
- N. Prior to the start of every game, each manager shall show the opposing manager their team's pitching record affidavit to validate who is eligible to pitch in the game. Failure to provide the affidavit may result in disciplinary actions to the manager.
